AMERICA RECYCLES DAY - NOVEMBER 15, 2006

November 15, 2006 is America Recycles Day and there are a number of events going on in Massachusetts.

AMERICA
RECYCLES
2006

Visit www.americarecyclesday.org for more information and to see a schedule of events happening throughout the week.

America Recycles Day is the perfect time to StepUp! Help us reach our goal of recycling 850 pounds per household by December 31, 2006. If you don't recycle now, start recycling newspaper, if you already recycle, see if there are additional products that you can divert from the waste stream, start composting in your backyard, or become involved with community and outreach programs.
