## Catalogs and Magazines

Catalogs, coupon books and magazines are recyclable and should be placed in the Magazines, Mixed Paper, and Junk Mail bin at the recycling wall of the RDF.

Here are some tips to reduce unwanted catalogs & magazines:

- If you receive multiple mailings for the same household, call or email and ask the company to delete the extra listing.
- Have magazine and catalog swaps with friends and family.
- If you move, fill out the Postal Service's National Change of Address form so that mailers don't keep sending catalogs to your old address.
- Consider subscribing to online magazines, coupons and catalogs instead of receiving printed copies.
