

WELLESLEY MUNICIPAL LIGHT PLANT

ELECTRIC RATE SCHEDULE

**LARGE GENERAL SERVICE-PRIMARY
Rate Schedule PRI-1
MA DTE #03-6**

AVAILABILITY

Service under this rate schedule is available throughout the entire territory served by the Wellesley Municipal Light Plant ("WMLP") to non-residential customers, whose electric service is delivered at voltages in excess of 120/240/480 volts, for lighting, heating and other general purposes, and whose monthly Billing kW exceeds 250 kW.

The customer must, at no expense to the WMLP, furnish, install and maintain all necessary distribution equipment and service lines from the property line on a street wherein the primary lines of the WMLP are located, which primary lines must be adequate for the purpose, to a central distribution point. The customer must provide and maintain switch gear which shall include current and potential transformers for the WMLP's metering equipment, all of which must be installed and maintained in a manner satisfactory to the Director. The WMLP will, at its expense, mount and maintain all necessary metering equipment at a location mutually agreed upon.

This rate schedule is not available where any portion of the electric power and energy purchased from the WMLP is resold. At any time, the WMLP may install the metering equipment the Department may determine necessary in order to properly render billings under this rate schedule.

POWER FACTOR ADJUSTMENT

The WMLP may, at its option, require any customer to make such changes in equipment and/or operations as necessary to increase the customer's power factor to a minimum of 90.0% lagging.

ESTIMATED BILLS

When an actual meter reading cannot be taken on the normal meter reading schedule for the Billing Period, an estimated bill will be rendered based upon usage data provided by the customer or estimated by the WMLP.

TERM OF CONTRACT

Service under this rate schedule is subject to termination at any time upon the WMLP's receipt of a written or verbal notice from the customer, and is subject to the provisions of the WMLP's Rules and Regulations.

DELINQUENT ACCOUNTS

The WMLP reserves the right to discontinue service after due notice, and to remove its property from the premises of any customer who fails, for a period of thirty (30) days, to pay any bill due the WMLP for electric service or fails to perform any obligations to the WMLP. Before any service so disconnected shall be reconnected, the customer shall make arrangements satisfactory to the Director for payment of any such past due accounts and accrued Late Payment Charges and a re-connection charge. If re-connection is made between 7:00 AM and 4:00 PM Monday through Friday, excluding holidays, the re-connection charge will be \$45.00. If reconnection is made at any other time, the re-connection charge will be \$100.00.

INTERRUPTION OF SERVICE

The Wellesley Municipal Light Plant shall not be responsible for any failure to supply electric service hereunder, nor for interruption of service, reversal or abnormal voltage of supply if such failure, interruption, reversal or abnormal voltage is without willful default or gross negligence on the part of the WMLP.

Whenever the integrity of the WMLP system or the supply of electricity is threatened by conditions on the WMLP system or the systems with which the WMLP is directly or indirectly interconnected, or whenever it is necessary or desirable to aid in the restoration of service, the WMLP may, in its sole judgment, curtail or interrupt electric service or reduce voltage to some or all of its customers and such curtailment, interruption or voltage reduction shall not constitute willful default by the WMLP.
